

# MAINTAINING YOUR CORPORATION

## IN THE STATE OF

### OREGON

The initial step of filing the Articles of Incorporation, for your Oregon Corporation, has been completed by Guidant. The following information is important and will assist you in maintaining your corporate status:

- ✓ **Articles of Incorporation:** Within your Zip File there are several important documents. Your Corporation was established by filing “Articles of Incorporation” with the Secretary of State. You will find the Articles in the Corporate Documents folder in your Zip File.
- ✓ **Tax Identification Number:** The Tax Identification number for a business entity is known as an employer identification number (EIN). The EIN operates like a Social Security number for the entity and is required for many necessary activities, such as opening a bank account. Your EIN has already been filed with the IRS, and can be found in the Corporate Documents folder in your Zip File.
- **Annual Report to Oregon SOS:** Your Corporation is required to file an annual report each year due by the Corporation’s anniversary date. An annual report form is mailed to the Corporation by the Oregon Secretary of State approximately 45 days prior to the due date. The annual report must be filed via mail the first year after incorporating. Thereafter, Corporations may file a renewal coupon online at: [http://egov.sos.state.or.us/br/pkg\\_br1\\_web\\_rnewl.login](http://egov.sos.state.or.us/br/pkg_br1_web_rnewl.login) approximately 45 days prior to the due date. The filing fee is \$50.00. Failure to timely file may result in monetary penalties or administrative dissolution of your Corporation. Please contact the Oregon Secretary of State at (503) 986-2200 for more information.
- **Business License:** Your Corporation may be required to obtain a license or permit issued by the State of Oregon. To assist you in making this determination, please refer to: <http://licenseinfo.oregon.gov/> for state, city and county licensing authorities.
- **Business Taxes:** Oregon imposes various taxes on businesses. For more information, please contact the Oregon State Tax Commission at (800) 972-7660 or visit: <http://tax.Oregon.gov/>.
- **Employees:** If your Corporation will have employees, state law may require worker’s compensation insurance coverage and you should visit the Oregon Worker’s Compensation Division at <http://www.cbs.state.or.us/wcd/> or call (503) 947-7810.

Many Corporations with employees will be subject to unemployment tax requirements. Information may be obtained from the State of Oregon: Employment Services Programs

- Record Keeping:** Every domestic corporation is responsible for keeping at its principle office: the Articles of Incorporation, the By-Laws, current names and addresses of directors and officers, current names and addresses of all shareholders and the number and class of shares held by each for the past three years, written communications to shareholders for the past three years, adequate and correct books, minutes and resolutions of the shareholder and board meetings, and the most recent annual report delivered to the Secretary of State.
  
- Change of Address and/or Resident Agent Information:** In the event your Corporation's principal office address, your registered office address and/or your resident agent changes, you will be responsible for taking the necessary steps to inform both the Secretary of State and the Internal Revenue Service (IRS) of the address change. To notify the Oregon Secretary of State, you can make changes using forms located at: <http://www.filinginoregon.com/forms/business.htm>. To notify the IRS, we have included additional information, including a Change of Address IRS Form, in the file in order to assist you in completing this process.
